COMPETITION - CONCEPTUAL DESIGN FOR PAINTING OF THE LIVING AREAS IN DORMITORY NUMBER 1

The Student Dormitories of the University of Maribor are announcing a prize competition for a conceptual plan for painting the living areas in Student Dormitory number 1. The competition is intended for all students of UM, residents of the SD, especially in the fields of art pedagogy, architecture, media communications and individuals who like to create.

The competition aims to attract as many students as possible and encourage their informal education, social responsibility and creativity.

The competition starts on 15th of May 2023 and lasts until 9th of June 2023.

I. OBJECTIVES OF THE COMPETITION

The interior of Student Residence 1 is being renovated. To make the stay in the dormitory more enjoyable, we decided to brighten up the common spaces for socializing with a special, innovative and creative painting. We want to get a lot of creative ideas, so we invite students to participate.

By taking part in the competition, students have the opportunity to express their potential in the field of creativity and innovation and to develop their skills and creativity.

II. THE SUBSTANTIVE DETAILS OF THE COMPETITION

The prize competition is open to students in the following ways:

- The conceptual painting plan should be conceptually or substantively formed in 6 pictures since each picture will represent one floor in the student dormitory. The theme that you will present artistically in the 6 pictures can be anything you like, but we can give you some directions: young people's life, healthy lifestyle, social activities of young people, green, sustainable, active, comics...

- The conceptual painting plan can also be created for an individual floor (so you can apply with only 1 image), whereby priority will be given to the conceptual idea for all floors.
- Walls for paintings measure 2,6 m in height and 4,9 m in length, i.e. approximately in a ratio of 1:1,9. Each picture should be in a similar ratio, i.e. 1:1,9 and in a resolution of 300 dpi, marked with a sequential number, as the story of the painting will follow. Images can be inserted into a ppt presentation or sent separately. The conceptual painting plan should be designed in the color palette and shapes that you want to be depicted on the wall.
- 1st floor: ORANGE (Forbo, sphaera energetic, mandarin 50210), 2nd floor: LIGHT BLUE (Forbo, sphaera energetic, ice 50239), 3rd floor: YELLOW (Forbo, sphaera energetic, yellow 50201), 4th floor: BLUE (Forbo, sphaera energetic, vivid denim 51207), 5th floor: ORANGE (Forbo, sphaera energetic, mandarin 50210), 6th floor: LIGHT BLUE (Forbo, sphaera energetic, ice 50239),

III. COMPETITION COMMITTEE

When selecting the most creative idea, the competition committee will follow the following criteria:

- Suitability for purpose (dormitory, student life).
- High-quality artwork.
- Interesting idea/story.

IV. AWARDS

The prize for 1st place is: 900 euro

The prize for 2nd place is: 300 euro

The prize for the 3rd place is: 6 lunches at Restaurant dorm 16 on Gosposvetska cesta 89.

If one place is divided between several authors who will work with individual paintings, the value of the prize will be divided among the selected authors.

V. METHOD OF SUBMISSION OF PRODUCTS

By email to: umsd@um.si

In addition to the draft idea, please provide your details: name and surname, permanent address, contact number, date of birth and course of study and year of study.

VI. DEADLINE FOR THE SUBMISSION OF PRODUCTS

The deadline for submitting products is Friday, 9th of June, 2023 by midnight.

VII. SELECTION OF THE COMPETITION

The selection committee will inform the participants of the results of the competition by Friday 16th of June 2023. The organisers reserve the right not to select or implement the proposed solutions.

If abuse is found (submission of a sketch whose author is another person), the organiser has the right to exclude the entrant from the competition.

The Entrant agrees that the Organisers may use the submitted sketch for publication on the website (um.si).
