VEČ KOT LE DOM

Dear Ceepus students,

We are pleased that you have been accepted as Ceepus exchange student at the University of Maribor.

We can offer you accommodation in 2 campuses: Gosposvetska and Tyrševa **If you want to share the room in student dormitories with a friend, please inform us about that before your arrival and we will try to arrange that, if it will be possible.**

1. GOSPOSVETSKA campus (GOSPOSVETSKA CESTA 83, dorm number 7 or dorm number 4)

GOSPOSVETSKA campus is located 15 minutes to the city centre by feet, near the Faculty of Arts, Education and Faculty of Natural Sciences and Mathematics. At Gosposvetska campus are grounds and a big sports centre named after the great Olympian Leon Štukelj.

You will be accommodated in dorm number 7 or in dorm number 4 (it depends, where we will have available capacities)

In dorm number 7 are apartments with 2, 3 or 4 double bed rooms. In an apartment students share a kitchen, bathroom and toilet. **They need to take care of their room, kitchen, bathroom, toilet, balcony and all common places (they have to clean those places by themselves). In case students, despite warnings, do not take care of cleanliness, they have to cover the costs of cleaning.** There is no kitchenware in the dormitory kitchen. In the student dorm blankets, pillows and bed-sheets are in the room. All rooms have an internet connection; you just need your UTP cable.

In dorm number 4, are also double rooms, but the kitchen, bathroom and toilet are on the hall (students on the same hall share bathroom toilet and kitchen). **They need to take care of their room, kitchen, balcony and all common places (they have to clean those places by themselves). TYRŠEVA campus is located in the city centre, near the Faculty of Economics and the Faculty of Law. There are plenty of opportunities for sports and recreation. In the immediate vicinity is a public park where students can go jogging and there are also fitness facilities in the campus.

The rooms are double, up to 9 rooms share a kitchen, bathroom and toilets. **Students need to take care of their room, kitchen, bathroom, toilet, balcony and all common places (they have to clean those places by themselves). After receiving the confirmation of accommodation, students should go to the dormitory, where their accommodation is provided.

At Tyrševa and Gosposvetska campus, the room keys are in dorm number 3 (Tyrševa) and dorm number 5 (Gosposvetska). The keys are kept by the receptionist. Receptionists are available 24 hours a day/every day. Students have to show their passport to the receptionist for the temporary accommodation registration process in Maribor, Slovenia. The receptionist will show the students to their rooms.

On a first working day after arrival all students have to visit Student Office in their campus, to arrange everything about their accommodation. In the confirmation paper (which you will receive on your email) is a list of things that you have to bring with you to the Student Office.

A week before moving out, students have to inform a Student Office in their campus about their departure date.
