On the first working day after arrival, every foreign student has to go to the Student Office to arrange all necessary paperwork regarding the accommodation. Every foreign student has to sign an accommodation contract for the period from the reservation (estimated arrival) to the estimated departure from the dormitory.

Caution money has to be transferred to the current account number of the student dormitories 7 day before arrival and it will be refunded to you after your departure, if there is no damage done in your room, etc.

Please bring the confirmation of payment with you when moving into the student dormitory.

Please contact the Student Dormitories about the exact date of your arrival and departure and inform them about any changes as soon as possible.
